

Regional Freight Study FY 2017

Questions and Responses to project-related questions submitted to the McLean County Regional Planning Commission (MCRPC).

For the benefit of any entity considering submission of proposals/qualifications, this compilation will be updated and posted as questions are received and responses provided.

- Q. Is there a specific funding amount currently programmed for this study?
- R. MCRPC has applied for funding through the state metropolitan planning fund administered by the Illinois Department of Transportation (IDOT), and available for programming in the current FY 2017. Release of these funds, and the date of funding availability, is at the discretion of IDOT. MCRPC estimates funding from this source will be \$90,000.00 for the study.
- R. MCRPC has identified an additional \$21,000 in funding for this project, which will be focused on elements of the study outside of the Bloomington-Normal metropolitan planning area. The date of funding availability is at the discretion of IDOT. (as of August 3, 2016)
